

Etihaad Airways has announced services to Düsseldorf in Germany beginning 16th December, 2011.

Düsseldorf is the capital city of the German state of North Rhine-Westphalia and is the airline's 71st destination. It will be connected to the airline's hub and home base in Abu Dhabi initially by four non-stop return services per week, rising to a daily service in mid-April 2012. The route will be served by an Airbus A330-300 series aircraft, in a three-class configuration.
