

Remember me – Dir Allen Coulter, starring Robert Pattinson, Pierce Brosnan, Emilie de Ravin

In this romantic drama, Tyler (Pattinson) stars as a rebellious young man living in New York City who has a strained relationship with his father (Brosnan) ever since tragedy separated their family.

Tyler didn't think anyone could possibly understand what he was going through until the day he met Ally (de Ravin) through an unusual twist of fate. Love was the last thing on his mind, but as her spirit unexpectedly heals and inspires him, he begins to fall for her. Through their love, he begins to find happiness and meaning in his life. But soon, hidden secrets are revealed, and the circumstances that brought them together slowly threaten to tear them apart.

Remember Me is only slightly more than forgettable, but its good intentions and good performances can't make up for a central romance that feels more rushed than real thanks to the triumph of casting and celebrity over chemistry and charm.
