

Sing-along

Thursday, 18 June 2009 00:00

18 June Children will delight in the news of a three-day sing along at the National Theatre Abu Dhabi as an oversized, purple dinosaur descends on the capital. Following the popular Western children's TV show, Barney the dinosaur is arriving in Abu Dhabi with all his colourful friends for songs, dance and general fun on 18th, 19th and 20th June. Parents may have to endure a disturbingly smiley, extinct mammal attempt to entertain the crowds, but young children will be thoroughly entertained. More information: 050 802 9030
