

Brand Abu Dhabi reaches further than you might think – a hot buy for London’s fashionistas is the Abu Dhabi, a gladiator-style sandal from the High Street footwear chain Office. Here’s the company’s website waxing lyrical in its description: “Arabian nights. Natural snake printed leather, lace-up, peep toe.

Like Arabian days. Geometric cut-outs and mini stacked wedge”. So that’s what Arabian days are like ... yours for a mere £55 if you happen to be passing through Britain, though you’d better hurry – they are selling fast.
