

Name: Spice

Sex: male

Age: roughly four months

Breed: domestic shorthair

History: This handsome little boy lost a brother at a young age, but was fortunate enough to have grown up surrounded by a troupe of other siblings. He was found with his two brothers and one sister aimlessly wandering the streets of Abu Dhabi, and taken in by Feline Friends.

Personality: The handsome Spice has a lovely personality that can change quickly. He likes long cuddles and peaceful sleeps but easily turns into an energetic ball jumping and playing around with friends. He enjoys company and is good with other cats. He's good with people of all ages too. Spice needs a loving owner that won't abandon him for any reason.

Spice is a well-behaved kitten who has been sterilised and has had his shots – a couple more are on the way in the coming weeks. Think you can offer him a permanent home? Then contact Feline Friends on 050 823 1569 or email info@felinefriendsuae.com
