

**Name:** Clover

**Age:** 12 weeks

**Sex:** female

**Breed:** crossbreed

**History:** Clover is one of six pups found abandoned on an industrial site in the heat of summer. She is currently with a foster family who are helping her with house-training and starting to teach her to sit, but she will need a family with the time to dedicate to training her.

**Personality:** Cute, cuddly, playful and social: Clover is a bright, willing character who will make a lovely family pet.
