

Name: Loona

Age: Nine weeks

Sex: Female

Breed: Crossbreed

History: Loona was found wandering around Mohammed Bin Zayed City and was taken to the American Veterinary Clinic. When no one claimed her after 48 hours, SAD stepped in and placed her with a foster family to prevent her being put to sleep. She is learning the basics and is being house-trained.

Personality: Loona is super-cute and super-affectionate, but she is quite calm for a puppy and would make a lovely addition to a caring and stable family.
