

**Name:** Cassie

**Age:** Five months

**Sex:** Female

**Breed:** Domestic short hair

**History:** Cassie was found in the Al Falah area with a badly broken front leg. When no one came forward to claim her Feline Friends, SAD and a host of generous donors came forward to pay for her amputation.

**Personality:** Cassie was clearly someone's pet because she is very friendly, sweet, cuddly and playful. She has recovered well from surgery and while she gets on with smaller cats, she is a little intimidated by bigger ones.
